UNCLE SAM'S NEPHEWS

Uncle Sam's nephews are captain of crews and a back of rank. The ... anywhere.

This quality is going to have ... to do with winning the war. For the past three years, we have heard a great deal of the things Britons have been doing in order to win the war. Knowing one or two Englishmen, and guessing that some of their traits of character are common to the large run of the subjects of George V, we can imagine in our mind some of the hardships they have undergone in order to fit themselves to do their share in the great contest. In America, it will be different. We are fighting a war, the big thing that we do not have to do is to fit themselves for it. We have been drafted. We have been picked up in the class as its extent, ... Thus we have ... by those able to pay for them. ... since 1871 imposed a lot of giving on the people of at least one great European power.

But not all of us can give ourselves. There are thousands upon thousands who are not able to join, and who can only become part of the new war army under the draft. They can, however, by cheerfully accepting the duties of some able man, perform their national services.

In selecting for the war army, the exemption boards, if wisely advised, and fairly will not take all the able bodied men who present themselves, indiscriminate. ... would ... for ... They will weigh the mental ... the physical equipment ... restraint ... to know whether ... not ... serve his country more effective ...

One of the most conspicuous cases of giving of the mental sort, is that of an organization of hundreds of authors and artists, who have banded themselves together under the enrollment of the "Vigilantes." Already their service has won a sort of glamor to the name, and a pride to the association. These men and women are busily engaged preparing the public mind for the needs of the war emergency. Just as the farmer plows his field to make it more fit to receive seed, so do these writers and artists till the soil of public opinion, in order that when the government presents an issue to the whole great family of Americans, it will find that soil fertile and full of resolve.

Organized propaganda is so highly specialized in these days of the mine promoter, the movie press agent and the million and one others, that in order to command the slightest attention there had to be provided a set of names that the people as a whole know and like. Where could a better selection be made than among the pages of the popular magazines, which by their very popularity suggest the width of the field they cover among their readers?

So, we find listed among the "Vigilantes," the man whose last short story we remember with appreciation, and the woman whose serial we must and shall ... stranger to our reading tables.

There people give—no one but a writer can understand how hard it is to turn on the flow of genius and let it ... pages of patriotic ... reward ... knowledge that the facts interpreted and the opinions cultivated, are necessary to be planted in the minds of the millions of America.

CLEAN THE PLATE

Housewives are being taught to practice food conservation, to reduce the huge tribute levied on us by the garbage can. The appeal is rightly addressed, no doubt, for who but the housewife ... the plate is one that everyone ... the clean plate by introducing ... permits the patron to conform his portions to his appetite, and at the same time consult the state of his purse.

There is a great waste in hotels and restaurants, because of food that is missed but not eaten. A patron would like to think that such food was saved, ... and served again. So most of it is thrown away rather than bother finding used for ... but for the trouble ... such disposition.

The clean plate is the best solution ... than on need; eat ... what you order. That is a good rule at home and in public eating places.

THE COAL OPERATORS

The coal men were all losing money. The cost of labor had gone up so much and the cost of such material as they had to buy that an advance of a dollar and a half a ton, soon after a previous advance of a dollar a ton was the least that they could think of. Some of them even shed tears over the hard lines they were in. They faced starvation, and worse.

But when Uncle Sam called about four ... representative coal men to Washington ... advised them to save themselves from seizure of their mines, they were quick to agree to cut the cost of coal to the consumer from one dollar to five dollars a ton.

Of course, this only applies to the eastern coal operators now but as soon as the government can do so it will move on the operators ... and the southwest, and there will be a big drop in price, provided, of course, the strike situation does not become acute.

CHINESE QUARTETTE IN SECOND RED CROSS GAME

MME. PETROVA "THE UNDYING FLAME" LASKY-PARAMOUNT

After coming west on the Orpheum circuit, the Oriental Four, a quartet of full-blooded Chinese vocalists, have been secured at big price by Manager Riordan of the Richmond theatre for the health-giving on tomorrow's continuous vaudeville array. These boys are real singers of unusual power and sweetness but are comedians as well. Their act promises to be one of the best numbers ever offered at the local playhouse.

Parker Brothers, athletes and tumblers, have a novel act in which their strength and agility are displayed. Their act is entirely different from the usual run of high-class acts.

Dorothy Russell, a musician of exceptional ability, will please the lovers of good music.

Mae Petrova, the famous singer of unusual power and sweetness, will sing and dance, rounds out a well-balanced bill of variety.

In the big drama will be found Pearl Ward and Antonio Moreno, both in the title of absorbing picture.

REDMEN-RED CROSS BALL THIS EVE

One-all Tribe of Redmen, the warpaint and feathers, will keep the council fires burning far into the night this evening at the annual Red Cross ball which they are holding at Eastshore park. A special car for the evening will be operated to the dance hall. Music will be furnished by Miss Carrie Ellsworth. For dance music the Redmen have secured a crack orchestra with plenty of panikas to lure the dancers. Proceeds from the dance will be turned over to the Richmond Red Cross society. The committee in charge of the dance consists of J. J. Hennessy, J. W. Wright and Sam Philippi.

PRESENT URGENT WAR TO BE DISCUSSED

Character building of individual and the nation.

A house built on the sand versus a house built on rock, will be the subject discussed tomorrow at 11 o'clock in Pythian hall, Fifth street near Macdonald avenue. Oakland will show the difference between the foolish house builder Satan and the wise house builder, Christ. While the parable is suggestive it is intended to develop a good character. There is another very important feature of the discussion.

TROLLEY LEAGUE JUMPS ITS TROLLEY; DIRECTORS TO DISBAND

(Special to the Record-Herald.)

SACRAMENTO, July 14.—The Trolley League has jumped its trolley. The accident occurred yesterday when Director Ed Steadman, of Oroville, at a meeting of the directors, in this city, moved that the league suspend activities for the season.

Jack Hern of Sacramento seconded the motion, after the rest of the representatives showed a decided desire to have no hand in starting the league on its last trip.

But once the motion was put before the body, it was clearly evident that the dissolution of the circuit was exactly what they desired, for the vote on the question was unanimous and not a dissenting voice was raised, although Chico and Gridley were without representation.

FRIDAY 13TH HAS NO HOODOO FOR C. R. WEBB

Charles R. Webb, of the Webb Motor company of this city, agents for the Velie Biltwell Six line of autos, is not a bit superstitious about Friday, the thirteenth. According to Webb, it was on Friday, April 13, that he took over the Velie agency for Contra Costa county, which is proving a wonderful success and yesterday on a similar date arranged for the sale of two cars, together with increasing his force by the addition of Basil Spurr, electrician, who will handle repair work on all cars at the Velie agency, 2339 Macdonald avenue.

RICHMOND ELKS AT MERCED FOR BIG GAME TOMORROW

Much depends on Richmond's winning tomorrow's game at Merced.

The game is the third of a series of five, one each being the score in games at the present time.

The Richmond club and fans will leave for the valley town on the 7:55 o'clock Santa Fe train. A second train will leave here at 9:55 o'clock. Plans for the proposed four team league of Merced, Modesto, Stockton and Richmond will be talked over in Merced tomorrow.

OFFICIALS AMBLE IN SECOND RED CROSS GAME

Eighteen veterans of civil and business life answered the call to the diamond in the game between the County and City official at the First street grounds this afternoon. Neither team was playing for a pennant, no league controversy was involved—it being merely to show that they were the same now in baseball togs as they were many years ago. Proceeds of the game will go to the Red Cross society.

TURLOCK PUTS UP FIGHT WITH REDS

Says a valley paper of the Modesto-Turlock game:

"The Modesto Reds were forced to go ten innings before they defeated the Turlock team, 3 to 2. The game, which was the first of a series of three, furnished a fine pitching duel between Phil Mobley and McCreey. The Reds got off at a good start by scoring two in the first, after the Turlockers had been retired in one, two three order."

JERRY DOWNS LOOMS AS NEW SEAL PILOT

SAN FRANCISCO, July 14.—Jerry Downs, player-manager of the San Francisco baseball team, stands a grand chance of shooting out to the front as one of the biggest men in minor league circles next season. If Jerry wins the pennant for the San Francisco outfit or if he even comes close to putting over the big prizes, he will surely loom up as the man to hold the reins in 1918.

TOM SEATON WILL BECOME AN ANGEL

Tom Seaton, former Richmond player, later with Portland and still later with the Cubs, will shortly don an Angel uniform in the Coast league.

Advices from the south say that Johnny Powers has about given up hope for the present of getting "Dutch" Reuther from the Cubs, now that Tom Seaton has been purchased. If, says the item, the Cubs drop out of the running for the pennant, the Angel boss may be able to talk business with President Weeghman.

"SPEED" MARTIN IN HOT GAME IN EAST

Spent Over $3500 With Doctors and got no relief

SO DECLARED MR. R. LEWIS, PROPRIETOR OF THE LARGE JEWELRY STORE AT ELEVENTH AND WASHINGTON STS. IN THE CENTER OF OAKLAND. AFTER DRINKING THE FONG WAN HERB TEA, HE WAS COMPLETELY CURED.

His Unsolicited Testimonial

Oakland, Cal., Mar. 25, 1917

For several years I was troubled with NERVOUS ATTACKS. I visited the most prominent physicians in both OAKLAND and SAN FRANCISCO without obtaining permanent results. Finally, when an OPERATION ON MY SPINE had been suggested, I quit and began drinking the FONG WAN CHINESE HERBS. After seven weeks I felt entirely well. This was in September, 1916, and up to the present time, March 1917, there has been no recurrence of the attacks.
